## **Introduction**

### **ALDI – a Portrait in a Miniature**

15

How it all Started 16    Less is Better than too Much 19    ... Groping Forward in the Dark like Albert Einstein 19    Confidentiality as a Principle 21    History and Growth 21    Clear Structures 22    ALDI's Corporate Structure (here example: ALDI North) 23    Financial Development in Germany 24    Good Grades from Consumers and the Trade Journals 26    ALDI and the Competition 27    Is the End of Growth in Sight? 29    ALDI and Walmart: The World's Top Retailers 30    ALDI and General Electric: Like a Pair of Twins - and just like Walmart 32    Success Comes from Being Different 32    Enormous Success Abroad 34    ALDI's foreign operations 2017 35    Success of Hard Discount all over the World 35    The system is more important than the team. 37

## **PART 1**

### **The ALDI Corporate Culture**

40

"The Essential is Invisible to the Eye" 41    Unwritten Rules 41    Culture by Example 43    Asceticism as a Basic Principle 44    Frugality as a Guiding Principle 45    Internal Promotions 46    No Gossip, no Scandals 48    Quiet Success 49    "Best Regards" 50    No Manipulation - No Tricks 51    Fair Treatment of Vendors 52    Customers Can Have Complete Confidence 53    Simple is not Easy 53    The Shortest Path to Recognizing Customer Needs 54    Providing the Basics Well 55    Credibility 56    Uncompromising Quality and Product Range Policy 57    Dealing with Returns 58    Passion for Details: Small Victories Every Day 59    Theo Albrecht Draws Store Interiors 61    From Mount Olympus into the Stores 61    Only Interested in Details or Rule Crazy? 62    Persistence and Strict Adherenceto the System despite Daily Temptations 63    "Mistrust-Driven Management"? 65    Action Instead of Endless Analysis 67    The Art of Simplicity 68    The Question "Why?" 71    Shrewd Self-Restraint on the assortment 71    A Source of Error: Cost Accounting 73    The Fear of Making Mistakes 74    What Is Special about ALDI's Corporate Culture 75

## **PART 2**

### **Organization and Leadership**

77

Good Organization Offsets Poor Leadership 78    Leadership and Organization Determine Success 78    Only a Minimum of Communication 79    The German Company with the Best Organization 81    The Organization of an ALDI regional company 82    The General Manager Conference:Authoritarian Tendencies Increase 83    The Foundations of Good Leadership and

Organization 84 Clear Goals Avoid Conflicts 84 Dropping Mission Statements 86 More Similarity with Toyota than with Tengelmann 87 Kaizen at ALDI 88 Trial and Error 89 The "Three-Store-Test" 89 Personal Commitment and Passion 90 ALDI's Reordering System: If it is gone - replace it 91 Decentralization and Delegation 91 Autonomy Means Less Complexity 92 ABB and ALDI: Decentralized and Successful 93 Delegation and Control 96 Delegation Means Sharing the Power 97 The "Harzburg Model" 97 Responsible Leadership and Responsible Action 98 "Supervision" and Controlling Results 100 Review of the General Managers 102 Practical Line Work Instead of Theoretical Staff Work 106 Creativity requires little knowledge, no data and a bit of ignorance 107 Excursion: Direction Product Profitability (DPP) 108 Focusing on the Essentials 109 Statistics and Internal Competition: ALDI's Internal Benchmarking 110 Big Data or Thinking Independently 112 Excursion: The Sense and Nonsense of Annual Budgets 114 Decisions on Specific Cases 116 The Executive Board 117 What Authority Does the Owner Have? 117 Special Features of the ALDI Organization 119

### **PART 3**

#### **Business Principles**

121

The Principles of ALDI Sales Policy 122 The Lowest Prices Anywhere 122 Price Wars 126 Quality Is More Important than Anything Else: Private Labels 127 Test Results of the Stiftung Warentest 128 The Number 1 in Coffee 129 Quality-Conscious Consumers 130 Rigorous Quality Control 131 600 Items Define a Company 133 The Toothpaste Philosophy 134 Just enough is more 136 Success is not Decided by the Purchasing Department but by the Business Model 138 Excursion: Efficient Consumer Response (ECR) 142 Excursion: Category Management 145 Advertising Means Informing the Customer 146 Advertising messages from ALDI flyers 147 Dealing with Suppliers: Consistent and Fair 148 Improved and More Successful Negotiations 150 Only Cost Advantages Generate Price Advantages 152 The Fastest Cashiers in the World 152 Shoplifting 153 Store Interiors and Product Placement 153 Logistics 154 Job Sheets for Maintenance Workers 155 Personnel Performance and Productivity 155 The Principle of ALDI Stores 156 What is special about ALDI's business principles? 159

### **PART 4**

#### **From Excellent to Ordinary**

160

Losses for the first time 161 What it means to extend the assortment 161 Crazy for Sales: Non Food and Food Promotions 163 The Limit of Discipline 165 Excursion: Mixed Boxes 165 70 Newspapers and Magazines 167 Promotions and Brands 167 Advertisement Cost Increase tremendously 168 Publicly Commenting on Everything Irrelevant 168 The Change of the Corporate Culture and the Focus on the Irrelevant 170 From Excellent to Ordinary 171 In a Nutshell 173
