Introduction 5

Part I: Basics 13

1 Basics 15

1.1 Project and Project Management Basics 15
1.1.1 Perception of Projects 15
1.1.2 Types of Projects 16
1.1.3 Project Management Tasks 19
1.1.4 Systems Approach to Project Management – The Big Picture 21
1.1.5 Benefits of Project Management 26
1.1.6 Project Management Success 27

Part II: Project 29

2 Project Management in the Project Start-Up Phase 31

2.1 Project Initiation and Project Environment (Project Preparation) 31
2.1.1 Initial Project Scenarios 31
2.1.2 Project Development Process 35
2.1.3 Project Worthiness 37
2.1.4 Project Preparation 38
2.1.5 Project Environment and Stakeholder Analysis 39
2.1.6 Strategic Preparation of Change and Claim Management 50

2.2 Project Assignment and Project Start-Up Process 59
2.2.1 Project Definition (Project Charter, Project Description, Project Statement) 59
2.2.2 Opportunity and Risk Management at Project Start-Up 73
2.2.3 The Project Start-Up Process 75
2.2.4 Typical Forms of Communication in the Start-Up Process 79

2.3 Establishing Project Organization 82
2.3.1 Role Concept 83
2.3.2 Role Conflicts 84
2.3.3 Project-Related Roles 85
2.3.4 Integration of Projects into the Existing Organization 103

2.4 Forming of Project Teams 110
2.4.1 Selection of the Project Manager 110
2.4.2 Selecting Project Team Members 113
2.4.3 Forms of Project Team Organization 115
2.4.4 Phases of Team Development 118
2.4.5 Formation of (Virtual) Distributed Teams 121

3 Project Planning and Execution Phase 133

3.1 Managing the Project Environment 133
3.1.1 Project Marketing 133
3.1.2 Procurement and Contracts with Suppliers 136

3.2 Project Planning ... 143
3.2.1 General Thoughts on Planning ... 143
3.2.2 Task Planning (Work Planning) ... 147
3.2.3 Quality Planning ... 161
3.2.4 Process Logic and Time Scheduling ... 171
3.2.5 Resource Planning ... 197
3.2.6 Cost Planning and Financial Planning ... 209
3.2.7 Integrated Optimization in Project Planning ... 225
3.2.8 Risk Planning ... 226
3.3 Managing Project Organization ... 242
3.3.1 Interface Planning ... 242
3.3.2 Task Allocation within the Project Team ... 244
3.3.3 Managing the Project Information System ... 249
3.4 Managing Project Teamwork ... 278
3.4.1 Project Team Culture ... 278
3.4.2 Leadership of Project Teams ... 279
3.4.3 Problem Solving and Evaluation Methods in Teams ... 288
3.4.4 Team Decision Processes ... 292
3.4.5 Virtual Team Work in the Planning and Execution Phase ... 295

4 Coordination and Change Phases in Projects ... 297
4.1 Environmental Changes around Projects ... 297
4.1.1 Change Management ... 297
4.1.2 Claim Identification and Claim Assertion ... 300
4.2 Project Control ... 305
4.2.1 Overview of Controlling Tasks ... 305
4.2.2 Project Controlling Procedure and Instruments ... 308
4.2.3 Risk Controlling ... 333
4.2.4 Crisis Management ... 333
4.3 Project Organization ... 338
4.3.1 Organizational Integration of Project Controlling ... 338
4.3.2 Changes in Project Organization (Project Team) ... 341
4.3.3 Meetings in Coordination Phases ... 342
4.4 Project Teamwork ... 343
4.4.1 Meeting Management ... 343
4.4.2 Teamworking Methods and Tools ... 354
4.4.3 Conflict Management ... 356
4.4.4 Virtual Teamwork in the Project Coordination Phases ... 369

5 Project Close-Down Phase ... 371
5.1 Closing Relations with Stakeholders ... 371
5.1.1 Characteristics of the Project Close-Down Phase ... 371
5.1.2 Defining an Appropriate End to the Project ... 371
5.1.3 Project Delivery Process ... 373
5.1.4 Dissolving Relevant Stakeholder Relations ... 374
5.1.5 Claim Management in the Project Close-Down Phase ... 378

5.2 Project Evaluation ... 378
5.2.1 Final Project Calculation ... 378
5.2.2 Project Close-Down Report ... 379
5.2.3 Open Issues ... 381
5.3 Dissolving the Project Organization ... 382
5.3.1 Project Close-Down Meeting ... 382
5.4 Dissolving the Project Team ... 384
5.4.1 Opportunities and Problems when Dissolving the Project Team ... 384
5.4.2 Utilizing Learning Opportunities ... 384

Part III: Project Portfolio / Project Program ... 387

6 Strategic Conception of Project Portfolios and Programs ... 389
6.1 Project Portfolio Definition ... 389
6.2 Program Definition ... 390
6.3 The Importance of Project Portfolios in Modern Organizations ... 391
6.4 Goals and Benefits of Project Portfolio Management ... 391
6.5 Goals and Benefits of Program Management ... 392

7 Organizational Structures of Project Portfolios and Programs ... 395
7.1 Roles in Project Portfolios and Programs ... 395
7.1.1 Project Portfolio Steering Committee, Project Portfolio Coordinator ... 396
7.1.2 Project Portfolio Controller ... 399
7.1.3 Program Manager ... 399
7.1.4 Program Steering Committee ... 401
7.1.5 The Role of the Project Management Office (PMO) in Project Portfolio and Program Management ... 402
7.2 Main Processes in Project Portfolios and Programs ... 403
7.2.1 Forming and Budgeting of Project Portfolios ... 403
7.2.2 Project Portfolio and Program Controlling ... 405
7.2.3 Changes in the Project Portfolio due to Closing of Projects ... 407
7.3 Resource Allocation in Project Portfolios ... 408
7.3.1 Resource Planning in the Budgeting Phase ... 409
7.4 Organizational Learning from Project Experiences ... 417
7.5 Developing a Project Portfolio/Program Thinking ... 418

8 Integrated Planning and Controlling of Project Portfolios and Programs ... 423
8.1 Establishing Project Portfolios ... 423
8.1.1 Methods for the Selection of Projects for Portfolios ... 423
8.1.2 Project Overview for Representing Project Portfolios ... 436
8.1.3 Analysis of Dependencies between Projects ... 438
8.1.4 Schedule overview ... 439
8.1.5 Overview of Efforts and Costs ... 440
8.2 Project Portfolio Controlling ... 441
8.2.1 Quality Controlling in Project Portfolios ... 442
8.2.2 Time Controlling in Project Portfolios ... 443

8.2.3 Resource and Cost Controlling in Project Portfolios 444
8.2.4 Project Portfolio Documentation 445
8.3 Closing Down or Interrupting Projects in Portfolios 447

Part IV: Basics 449

9 The Project-Oriented Company 451
9.1 Present Situation – The Trend towards Increased Project-Orientation 451
9.2 Characteristics of Project-Oriented Companies 453
9.2.1 Strategies of the Project-Oriented Company 453
9.2.2 Structures in Project-Oriented Companies 454
9.2.3 Specific Cultural Elements in Project-Oriented Companies 455
9.3 Strategy and Projects 459
9.3.1 Strategic Projects/Programs 459
9.3.2 Project Strategy / Program Strategy 465
9.3.3 Project Management Strategy 466
9.4 Project Management Maturity 469
9.5 Project Management Standards (Project Management Guideline) 474
9.6 The Project Management Office as an Internal Service Provider 479
